

Mission

To provide a safe learning environment where adults with developmental delays can grow in self-esteem and confidence and can successfully participate in community activities.

In addition, we will demonstrate to our community that adults with disabilities are vital, loving, and creative individuals who deserve an opportunity to blossom and thrive.

***“Our Goal is Growth,
not Perfection”***

Vision

Our school supports clients in their quest to maximize academic, social, and behavioral functioning and to be valued as contributing members of our community.
